Employer unpacks Job Fair 2007

(Toronto, April 30, 2007) Over 60 companies will be on hand at Job Fair 2007 held on Wednesday, June 13 and Thursday, June 14 at Seneca College Residence & Conference Centre to recruit those who are looking for work at in this two-day event.

Hundreds of jobs will be available in categories including: administration, office, accounting, collection, payroll, arts and media, biotech, pharmacy, e-commerce, education, engineering, executive, finance, government, health care, hospitality, HR, insurance, legal, marketing, production, retail, sales, science, trades, manufacturing, technology, students, many more....The employers who are attending the event have a lengthy wish lists for employees. Job Fair 2007 offers an opportunity for those who want a job and wish to hit the ground running, for the unemployed, those who are underemployed, and those who are looking for a career change, students, and anyone seriously looking for work, to network with potential employers and land work.

Employers will find ready access to a skilled pool of potential employee. Employers will be able to meet talented employees face-to-face, and connect more quickly with serious candidates while dipping into the full-time, contract, summer, co-op, volunteer, and part-time pool of unemployed in one location.

Job Fair 2007 is inclusive to a series of employment events hosted by NAPP Canada to be held from 10:00am to 5:00 pm, June 13 and 14 at Seneca College, Residence & Conference Centre, 1760 Finch Ave. E. Toronto, ON (Don Valley & Finch)

Jobfair 2007 is in partnership with federal government programs: ACCES, Progress Career Planning Centre (PCPC), Mazemaster, Operations Springboard, and VPi.
